

Fernhill Library Trust - Catalogue Migration Final Report

March 2025

Outcome

All 186,412 catalogue records were migrated to OpenShelf on 24 February 2025 with no downtime for borrowers. Duplicate ISBN records were reduced from 4% to 0.3% by merging editions under one work record.

Search

Search success in the public catalogue, measured as searches followed by a reservation or a shelf-mark view, rose from 38% to 57% in the first four weeks.

Training

146 staff across nine branches attended training. A recorded version and a two-page quick guide are available on the staff intranet.

Open items

Local history collections in Bray and Greystones still need subject headings. Estimated effort: 6 days.

Days used
